

MASTERCUT™

Carve your own printing stamps or experiment with artisan printmaking techniques using this amazingly easy to carve, eraser-like material.

Essdee MasterCut™ is formulated for extremely easy carving making it safer and easier to use than other materials.

This double-sided material can be drawn upon with a pen or pencil due to its light colour and ink receptive surface. It can be used with ink pads or block printing inks for a multitude of creative possibilities.

MasterCut™ comes in retail packs of 2 pieces with instructions in 4 languages and a euro hanger slot.
